Comment:

The off location flowline (wellhead line) runs approximately 10741' NE from the wellhead to facility/ battery. Flowline services 10 wells in area. This off location flowline has not been registered with COGCC; Operator has not submitted COGCC Form 44. Note: Operator has not registered any off location flowlines with COGCC; Corrective Action outlined may be applicable to additional wells operated by POC-I LLC

Corrective Action:

Operator shall comply with the following COGCC rule: 1101.a. Off-Location Flowline Registration. (1) An operator must register an off-location flowline constructed on or after May 1, 2018, by submitting a Flowline Report, Form 44, to the Director within 30 days after the flowline is placed into service. An off-location flowline in existence prior to May 1, 2018, must be registered by October 31, 2019. An off-location flowline registered as part of a produced water transfer system is not subject to this requirement.
