**General Comment:****COGCC Inspection Report Summary**

On Wednesday 12/18/19 at approximately 12:00 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at CAERUS PICEANCE LLC LINDAUER-68S96W /3SWSE, Location #334105 in Garfield County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Trash and weeds inside tank containment. See photo #0278 with a corrective action date of 12/25/19. Multiple holes in tank containment liner. See photo #0279 and #0280 with a corrective action date of 1/18/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
