My June 24, 1982

Dear Mr. Raymond:

The State has had the captioned site restored with the exception of pulling the pipe and removal of the deadmen. Enclosed are copies of the billing from Hughes Construction for performance of the restoration. Please make your check payable to Hughes Construction in the amount of \$1,972.50, and send the check to this office for distribution.

As soon as this is done we can then clear our records by cancellation of your bond. Thank you.

Sincerely,
