Water Wells  
Sections 27 & 34-8N-52W  
Logan County, Colorado

Dear Mr. Piro:

As per our recent telephone conversation enclosed is a photo copy of the agreement between the City of Sterling and Rex Monahan covering drilling requirements on lands on or near the City water wells.

We sincerely thank the Oil And Gas Commission for its interest in this project and will appreciate your assistance in helping us protect the City water supply.

Yours very truly,
