Gentlemen:

Re: Couch and Berglund - Drilling Bond
#54014 - 75073 Dated 12-31-1953

Under date of December 31, 1953, we executed the above captioned bond in the amount of \$2500.00 covering operations on the SW¼ of Section 4, Township 8 North, Range 62 West, Logan County, Colorado. We have been unable to ascertain whether or not the bond was ever filed, as Couch and Berglund do not recall ordering the bond. Will you kindly advise the status of this bond.

Sincerely yours,
