**COGCC Comments**

Comment	User	Date
<b>COGCC Inspection Report Summary</b> <b>**Weather Conditions: sunny, snow on ground</b>  On Friday, January 3, 2020 at approximately 12:50, I, Inspector Brittani Santistevan, conducted an on-site inspection at KORI J 19-11 (Noble Energy), at location #: 305256 in WELD COUNTY Colorado. While there, I observed a temporarily abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. Wellhead is in process of being plugged and abandoned, all equipment connecting to wellhead remains on location (inside fencing). REMOVE TO COMPLY WITH RULE 603.F. (Corrective Action Date: January 10, 2020) See attached photo #2.  A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.	santistb	01/03/2020
