Thank you! I will have Susan Barnes, SD Risk Manager, follow up with COGCC on financials and have Jason Clark, Drilling Engineer, compile the conductor info and we'll get the form 4's submitted ASAP.

Thank you,

Spence A. Laird

Spence,

You can leave the conductors in place but you have to have separate financial assurance for them. Additionally, there form 4 etc that need to be filled out and information on how they were constructed etc.

Thanks for quick response on this issue.

Regards,

Margaret Ash
