General Comment:

On January 6th, 2020, Reclamation Specialist Trujillo conducted a Final reclamation and stormwater inspection at Diamond Back Drilling & Supply Inc's Emerald #262 location in Rio Blanco County, Colorado.

It was observed that cable debris/equipment remains on the Location. What appears to be a pit evident on the south of the Location.

The following alleged compliance issues were observed during this inspection:

- Cable observed remaining on surface of the Location.
- Pit approximately 10'x10' open on the south end of the Location.

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Unable to find Operator email contact for FIR submission, phone number listed for Operator no longer in operation; Inspection will be mailed 1/9/2020 via USPS to physical address on file:

Diamond Back Drilling & Supply Inc
PO Box 2622
Grand Junction, CO 81502

It is noted that several other Diamond Back Locations within this field are also out of compliance: Due to the significant nature, extent, or duration of alleged rule violations, immediate referral to enforcement is required. Operator is directed to perform corrective actions outlined on this inspection report immediately. No corrective action dates are being provided as Operator is directed to perform corrective actions outlined on this inspection report immediately. Doing so may decrease the duration of the alleged violations and the penalties that may be assessed pursuant to Rule 523.
