General Comment:**COGCC Inspection Report Summary**

On Tuesday 1/14/20 at approximately 15:30 hours, I, Inspector Corey De Paolo,

Conducted an on-site inspection at LARAMIE ENERGY LLC Horseshoe Canyon Federal /15-3 Pad,

Location #312642 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Chemical tank contents not labeled. See photo #0411 with a corrective action date of 3/14/20. Oily fluid in stock tank inside tank containment. See photo #0412 with a corrective action date of 2/14/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
