**Environmental****Spill/Remediation:**

Comment: COGCC personnel observed the partially buried produced water vessel had been removed from service and the excavation scar had been backfilled. As of the date of this inspection, Operator has not submitted a Form 27 for the removal of this vessel. Pursuant to Rule 905.b., Operator is required to close partially buried produced water vessels in accordance with prior approved Site Investigation and Remediation Workplan, Form 27.

Corrective Action: Operator shall submit an eForm 27, Site Investigation and Remediation Workplan, for the removal of the partially buried water vessel. The Workplan shall be submitted for prior COGCC approval and shall include a description of the proposed investigation and remediation activities in accordance with Rule 909.
