General Comment:

COGCC Inspection Report Summary

On Thursday 1/30/20 at approximately 12:00 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC McDaniel /14-3 Pad, Location #334198 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: 1000 gallon methanol tank capacity label inaccurate. See photo #0497 with a corrective action date of 3/30/20. Multiple wellhead signs weathered and not legible. See photo #0493, #0494 and #0495 with a corrective action date of 3/30/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
