Gentlemen:

In reply to your letter of April 9, 1959, pertaining to the Utah Southern Oil Company No. 3 UPRR McEndaffer located in Sec. 31, T12N, R56W, Weld County, Colorado, this well has not, to-date, been plugged. Operations are currently under way to pull and salvage 5½" casing in this well. At such time that this casing is salvaged the well will be plugged in accordance with the Colorado Oil and Gas Conservation Commission regulations and you will be notified promptly full details of the work.

For your further information, the casing - salvaging operations are being conducted by the Western Pipe & Supply Inc., Kimball, Nebr.

Yours very truly,

Harry E. McDonald,
Production Superintendent
