**General Comment:****COGCC Inspection Report Summary**

On Friday 2/7/20 at approximately 12:30 hours, I, Inspector Corey De Paolo, conducted a follow up inspection at CAERUS PICEANCE LLC Stewart /36-13H (PL36SW), Location #418660 in Mesa County Colorado.

Refer to document #699800386 inspection conducted on 1/14/20. Not all corrective actions have been completed.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: 1000 gallon tank contents and NFPA labels weathered and not legible. See photo #0544 and #0545 with a corrective action date of 3/14/20. Unused equipment and debris in 1000 gallon tank containment. See photo #0546 with a previous corrective action date of 1/29/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
