Dear Mr. Grenfell:

You will recall last year about this time we contacted you regarding your #1 B.L. Morris located in the NE SE Section 14, Township 6 North, Range 86 West.

At that time you brought us up to date and indicated you intended to do some work in the summer of 1964.

Before getting past another season we like to be advised as to what was accomplished since May 6, 1964 and what your tentative plans for the well are. Your prompt cooperation in this matter will be greatly appreciated.

Yours very truly,

OIL AND GAS CONSERVATION COMMISSION
