Craig, Colorado

Dear Mr. Hawkins:

As you will recall, last January you advised that bottom plug had been set in the No. 1 Jeanne-McDermott well in Section 13, Township 6 North, Range 86 West, Routt County, and that the other plugs would be put in this summer.

Since we are anxious to close this file, will you please advise of the date when you intend to complete this plugging?

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

Wm. R. Smith, Senior Petroleum Engr.

WRS:lf

Mr. Smith:

As soon as the water goes down in the river so that we can get across a slough, we will proceed with the balance of the plugging, which should be sometime in July
