**General Comment:****COGCC Inspection Report Summary**

On Tuesday 2/18/20 at approximately 11:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Vega /6 Pad, Location #334453 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Condensate tank not labeled with tank capacity. See Photo #0602 with a corrective action date of 4/18/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
