<p><b>COGCC Inspection Report Summary</b>                      **Weather Conditions: cloudy, snowing/snow on ground                      On Wednesday, February 19, 2020 at approximately 12:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at GREAT WESTERN (PAD 10) 25-52 (Great Western Oil &amp; Gas), at location #: 417693 in WELD COUNTY Colorado.                      While there, I observed a shut in facility.                      During this inspection the following possible compliance issues were observed:                      1. No NFPA placarding on any of the produced water tanks. <b>INSTALL SIGNS TO COMPLY WITH RULE 210.D. (Corrective Action Date: March 19, 2020) See attached photo #3-5.</b></p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	02/19/2020
