<p>COGCC Inspection Report Summary</p> <p>On Friday 2/21/2020 at approximately 09:10 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC SRC Vista Pad location #431367 in Weld County, Colorado.</p> <p>While there, I observed miscellaneous trash and unused equipment around location, midstream meter calibration cards were out of date, inadequate wildlife netting around chemical storage and chemicals being stored outside of containment. During this inspection the following possible compliance issues were observed: Rule 329 with a corrective action date of 3/23/2020, Rule 603.f. with a corrective action date of 3/23/2020.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	02/21/2020
