**General Comment:**

[COGCC Inspection Report Summary](#)  
On Friday 2/21/20 at approximately 10:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC BCU /8C Pad, Location #312671 in Mesa County Colorado.  
While there, I observed normal production operations.  
During this inspection the following possible compliance issues were observed: Unused pallet and adjustable choke by separator. See photo #0621 and #0622 with a corrective action date of 3/7/20.  
  
A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
