Re: U.S.A. Morris No. 1  
NE, SE, Sec. 14-6N-79W  
Jackson County, Colorado

Dear Sir:

The above well was a dry hole and was plugged and abandoned. Plugging operations were completed 9/24/58.

We now wish to advise that the reserve pit has been filled and the location leveled.

Yours very truly,

HTS/o

*H. Stewart*
