Comments: Jack Grynberg transferred many of the leases underlying wells that he operated in Colorado, Wyoming, and North Dakota to Gadeco, LLC because of a lawsuit by Gadeco, LLC. The court order and other related documents mandating the transfer are currently unavailable to Grynberg Petroleum Co.

Trent Green, the Managing Director for Gadeco, LLC has agreed to accept the transfer of the wells, pits, and locations shown on this Form 10. He can be contacted at (303) 346-3696 or at trent@gfccap.com.
