General Comment:

On 3/17/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at Rio Mesa Resources Inc's Getty-Amoco #28 location in Rio Blanco County, Colorado.

Form 6(s) #1397717 states well was Plugged/Cut capped 5/18/2004.

The following alleged compliance issues were observed during this inspection:
300; Well does not appear to have been sufficiently plugged or cut/capped or in compliance with 300 Series Rules
1004.a: Equipment remaining

Refer to the "Reclamation" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
