**General Comment:**

[COGCC Inspection 689803864 Report Summary](#)  
On Tuesday 3/24/2020 at approximately 11:40, I, Inspector Emily Waldron, conducted a field inspection at Antler Energy LLC Baggs Land and Cattle 1, at 05-081-06029 in Moffat County Colorado.  
While there, I observed production.  
During this inspection the following possible compliance issues were observed:  
Gauge hatch open on south tank. See photo 2. Close and seal gauge hatches when not accessing tank per Rule 605.a.(9) by 3/30/2020.  
Erosion gullies forming from center of location and moving north towards the Little Snake River. No BMPs observed. See photo 3. Install or repair required BMPs per Rule 1002.f.(2)C by 4/13/2020.  
A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report 689803864.
