Inspection #688307429

3/23/2020

Routine Inspection

**COLORADO**

**Oil & Gas Conservation  
Commission**

Department of Natural Resources

A photograph of an oil well site. In the foreground, a blue sign is attached to a metal fence. The sign contains contact information and location details. Behind the fence, a white cylindrical tank sits on a black metal stand. To the left of the tank, a vertical pipe with various valves and a pressure gauge is visible. The background shows a dry, hilly landscape under a clear blue sky.
