RE: Affidavit of Completion of Segment 1 produced water system located in Section 28, Township 1 North, Range 68 West, Weld County, Colorado.

This Affidavit of Completion shall serve as notice that Segment 1 produced water system was constructed in accordance with all applicable COGCC Rules and the project's technical standards/specifications and the Line's construction plans. Any variations from the originally construction plans were noted in the "as built" plans, did not affect the original design(s) in any way, and are reflected in the geodatabase files submitted to COGCC.

Please contact the operator if you have any questions.
