COGCC Inspection Report Summary****Weather Conditions: sunny, dry ground**

On Monday, April 6, 2020 at approximately 11:16, I, Inspector Brittani Santistevan, conducted an on-site inspection at SCHMUNK 31-42 (Great Western Oil & Gas), at location #: 309900 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. No emergency contact number present on wellhead sign. INSTALL SIGN TO COMPLY WITH RULE 210.B. (Corrective Action Date: April 7, 2020) See attached photo #1.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
