**General Comment:**

On 3/30/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at C&J Field Services' Smith-Harris #2-2 location in Rio Blanco County, Colorado.

This inspection is to document compliance for the following corrective actions: Perform Final Reclamation per COGCC 1004 Rules

It was documented that additional reclamation activities appear to have been conducted; Equipment remains on Location.

The following alleged compliance issues were observed during this inspection:  
1004.a: Removal of surface equipment.

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
