Photo 1. View of the project area from the southwestern corner facing center.

Photo 2. View of the western project area from the southwestern corner facing northward. Vegetation is progressing with a mixture of grasses such as western wheatgrass, smooth brome, intermediate wheatgrass, and sand dropseed.

Photo 3. View of the southern project area from the southwestern corner facing eastward. Vegetation is infested with approximately 2000 musk thistles.

Photo 4. View of musk thistle rosettes within the project area.

Photo 5. View of reference area comprised of open pinyon-juniper woodland with sagebrush shrubland understory.
