COGCC Inspection Report 689803998 Summary

On Tuesday 4/14/2020 at approximately 11:00, I, Inspector Emily Waldron, conducted a field inspection at Sandridge Exploration & Production LLC Evans 0780 21 at 438250 in Jackson County Colorado.

While there, I observed production.

During this inspection the following possible compliance issues were observed:

Gravel appears to have been pulled onto the perimeter berm during apparent interim reclamation activities. See photos 2 and 3. Comply with the 1003 interim reclamation rules by 5/18/2020.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689803998.
