<p><b>COGCC Inspection Report Summary</b>                      On Monday 4/20/2020 at approximately 13:20 hrs. I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Camenisch Supreme Camp 64N66W Pad, location #332843 in Weld County Colorado. While there, I observed that the wellhead signs were not updated to reflect the current operator and emergency contact number. During this inspection the following possible compliance issues were observed: Rule 210.e. with a corrective action date of 7/21/2020.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	petersont	04/20/2020
