CORRECTIVE ACTIIONS:

1  CA# 136497

Corrective Action: Remove waste and debris. Corrective action is backdated to document duration of non-compliance. Date: 04/30/2017

Response: CA COMPLETED Date of Completion: 03/20/2020

Operator Comment: Waste and debris cited in the inspection belonged to the landowner and legally BPX could not remove the debris and dispose of it without landowner authorization. Negotiations with the landowner and the reoccurring problem of encroachment has resulted in BPX having the landowner move their items and BPX installing fencing in an

attempt to stop future encroachment. Debris has been moved by landowner and fencing installed see attached.

COGCC Decision: Approved pending re-inspection

COGCC  
Representative:

**OPERATOR COMMENT AND SUBMITTAL**

Comment: Corrective actions completed. Work completion delayed due to landowner belongings not being able to legally be moved and/or disposed of by BPX without authorization. Had to work with landowner to move their items off the well pad. Encroachment has been on going issue so a fence has been installed to delineate well pad.
