**General Comment:**[COGCC Inspection Report 689803997 Summary](#)

On Tuesday 4/14/2020 at approximately 10:45, I, Inspector Emily Waldron, conducted an UIC inspection at Sandridge Exploration &amp; Production LLC Pintail 16 at 446527 in Jackson County Colorado.

While there, I observed active injection.

During this inspection the following possible compliance issues were observed:

Wellhead signs do not match as built GPS locations in COGCC database. See photos 2 and 3 and COGCC database GIS. Check signs and GPS coordinates to be in compliance with Rule 210.b and Rule 308A.b.(2)F. by 5/18/2020.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689803997.
