#### OPERATOR COMMENT AND SUBMITTAL

Comment: Renegade once again requests that the COGCC inspectors update their records to reflect the proper contact information. Several attempts have been made to the COGCC inspection staff over a period of years to get the correct information posted.  
Renegade disagrees with the ability of Adams County to charge an inspection fee when this can be performed by the regular COGCC inspector at no charge. Our company has no discretion as to who performs the inspection and as a result disputes any fee charged. Renegade requests any follow up inspection required for this lease be performed by the regular COGCC inspector.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
