Operator Comments:

This sundry notice is being sent to notify that one 300 bbl water tank at the battery was replaced and one 300 bbl oil tank at the battery was removed. This was done because the tanks had bad tops. The battery now has only one 300 bbl water tank and one 300 bbl oil tank.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
