

A photograph of a large pile of slash (cut vegetation) on a hillside. The slash consists of numerous thin, brown, dried plant stems and branches, piled together. The hillside is covered with sparse, low-lying green shrubs and patches of dry, brownish soil. In the foreground, a white rectangular sign with a black border is mounted on a metal frame. The sign has the words "SLASH" and "STOCKPILE" written in bold, black, sans-serif capital letters. The background shows a steep, eroded hillside with exposed soil and some scattered rocks.

**SLASH
STOCKPILE**
