Comment	User	Date
<p>This is a follow up inspection to previous inspection DOC#: 679602464. One out of two corrective actions from previous inspection DOC#: 679602464 has been resolved. Unresolved corrective action is reassigned to this location with its original corrective action date. One new corrective action has been observed while re-inspecting location.</p> <p>COGCC Inspection Report Summary **Weather Conditions: sunny, dry ground On Monday, July 27, 2020 at approximately 11:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at HEINRICY NW-7 (PDC Energy), at location #: 333325 in WELD COUNTY Colorado. While there, I observed a producing facility. During this inspection the following possible compliance issues were observed: 1. Appears stained soil at wellhead (Heinricy 7AU) has re-accumulated. Remove and comply with Rule 603.f. (Corrective Action Date: August 27, 2020) See attached photo #4. 2. Disconnected/unused gas meters on tank battery location. Remove and comply with Rule 603.f. (Corrective Action Date: June 10, 2020) See attached photos #7, 8.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	07/27/2020
