General Comment:

On 7/31/2020 Reclamation Specialist Trujillo conducted a final reclamation inspection at Chevron USA's SKR-65S98W 35SENE location in Garfield County, Colorado.

This inspection is also a follow up to inspection #692401373 requiring compliance with 1003 rules.

It was observed in this inspection that interim reclamation activities have been conducted per the corrective action.

The following compliance issues were observed during this inspection:
1003.f: Weed control

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
