**General Comment:**

This inspection is in response to a complaint- see complaint and interim reclamation section for more details.

Highpoint Operating is receiving this Field Inspection Report (FIR) because it is still the Operator of record. Form 10 (Doc.# 402018972) submitted on May 1, 2019 remains in-process. The buying Operator, KP Kauffman, who has taken responsibility over this well has been included on this FIR.

Note- this is the second complaint where KP Kauffman has failed to comply with COGCC weed management rules and regulations.
