Background

This is a satellite map from Google Maps showing a large, irregularly shaped field. The field is divided into several sections by dirt roads or tracks. The central part of the field is a light brown color, while the surrounding areas are green, indicating vegetation. Five locations are marked with pins: 'Background' (green pin with a white flag), 'Drill Cutting NW #1' (green pin with a white flag), 'Drill cutting NE 2' (green pin with a white flag), 'Drill cutting SE 3' (green pin with a white flag), and 'Drill cutting SW No4' (green pin with a white flag). There is also an orange pin with a white star located on the right side of the field. The word 'Google' is visible in the bottom left corner of the image.
