<p><a href="#">COGCC Inspection Report Summary</a>                      On Monday 8/25/2020 at approximately 11:45 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy Agricultural Products Federal 32-17 location #332008 in Weld County, Colorado.                      While there, I observed trash around the wellhead. During this inspection the following possible compliance issues were observed: Rule 603.f. with a corrective action date of 9/11/2020.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	08/25/2020
