<p><b>COGCC Inspection Report Summary</b></p> <p>On Wednesday 9/2/2020 at approximately 10:40 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy Ehrlich 13-23 location #330903 in Weld County, Colorado.</p> <p>While there, I observed that weeds had grown around the tank battery location, on lease road to wellhead and on well location. During this inspection the following possible compliance issues were observed: Rule 603.f. with a corrective action date of 9/18/2020. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	09/02/2020
