On August 26, 2020 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the BP America Production Company FC Armstrong 001 #1. For the most recent field inspection report of this facility, please refer to document #687905624. This site visit was in response to Spill/Release Point ID #477724. During this inspection stained soil was observed around the cellar and wellhead. The lube oil and chemical injection system containers are on secondary containment. A "Trapper" containment device is in place around the stuffing box.	hughesjo	09/08/2020
