<p><b>COGCC Inspection Report Summary</b>                      On Wednesday 9/2/2020 at approximately 09:00 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy Ehrlich PC O 23-69HN Pad location #328416 in Weld County, Colorado.                      While there, I observed that the VRT lacked all placards and the gas sales meter calibration cards were outdated. During this inspection the following possible compliance issues were observed: Rule 210.d. with a corrective action date of 12/4/2020, Rule 329 with a corrective action date of 12/4/2020.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	09/02/2020
