General Comment:

On 9/10/2020 Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection at TEP's American Soda-67S96W 2SEW location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

1004.a: Final Reclamation

1004.e: Weed control

Refer to the "Reclamation" section of this report.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment: **Records show well PA 5/9/2017, at least four growing seasons have passed. It was observed in this inspection that this Location is not progressing towards COGCC 1004 standards; Large areas on the south end of the Location, and access road remains bare soil, or predominantly undesirable weedy plant species and not reflective of the reference area; Reference area perennial forage cropland. Noxious weeds such as Chicory, and Tamarisk were also observed on the Location.**

Corrective Action:	Comply with 1004 rules and conduct additional reclamation and weed management; Establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of pre-disturbance or reference area levels. Use a seed mixture requested by the surface owner, or a mixture prescribed by the local soil conservation district. Ensure erosion controls are implemented to stabilize the seeded soil, and continue to monitor and manage this site until Final Reclamation has passed.	Date	10/31/2020
