Since your company is the operator of subject well, an individual well bond in the amount of not less than \$2500 should be submitted to this office. This is in compliance with Rule 304 of the Rules and Regulations of the Commission. It is necessary to assure proper plugging of wells whenever this becomes necessary. Forms are enclosed for your convenience.

Also enclosed are Designation of Agent forms. Please execute one and return to this office.

We shall appreciate your early attention to these matters. If you desire further information, do not hesitate to contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
