Mr. William R. Smith  
Deputy Director  
Colo. Oil & Gas Commission  
Room 312 - State Services Bldg.

Dear Mr. Smith:

We have received your letter of March 10 regarding Whitacre #2 and your concern about the road washing through.

Mr. Umbach is out-of-town until March 22, so I have sent a copy of your letter to Mr. John Dixon, Sterling, Colorado who is overseeing the Whitacre wells and in charge of pumping operations.

He is to notify Mr. Umbach on his return, at which time Mr. Umbach will answer your letter himself. I just wanted you to understand the delay in answering your pertinent questions.

Sincerely yours,

(Mrs.) Robin Bowler  
Secretary to Mr. Umbach
