General Comment:
 On 9/16/2020, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection at Nonsuch Natural Gas' CSOC 697-22-66S97W 22NENE location in Garfield County, Colorado
 This inspection is also a followup to inspection #696201613 to document compliance with the following corrective action: 1003.f: Noxious weed management.
 Refer to the "Location", "Reclamation" and "stormwater" sections of this inspection report for additional details.
 Any corrective action(s) from previous inspections that have not been addressed are still applicable.
 A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment

Inspection #696201613 documented that Location is not progressing towards 1003 reclamation standards, and required Operator to conduct additional reclamation, pursuant to 1003 rules, by 10/31/2020. See inspection #696201613 for additional details.

 At time of inspection, additional reclamation work does not appear to have been conducted; Corrective action remains applicable.

Corrective Action

Comply with 1003 rules and conduct additional reclamation. Establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of pre-disturbance or reference area levels. Use a seed mixture requested by the surface owner, or a mixture prescribed by the local soil conservation district. Ensure erosion controls are implemented to stabilize the seeded soils, and continue to monitor and manage this site until Final Reclamation has passed.
