COGCC Comments

Comment	User	Date
On September 17, 2020 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the BP Spill/Release Point ID #478046. For more information regarding this release, please refer to document #402490497. According to the COGIS database, a 4" carbon steel produced water gathering line follows High Flume Canyon Road in this area. During this inspection, wet and stained soil was observed along the east side of the county road.	hughesjo	09/22/2020
