

CATAMOUNT ENERGY PARTNERS LLC.

Well Name: Fassett Gas Unit 2 **API #** 05-067-07917
Inspector: Catherine Roy
Document Number: 693902152 **Inspection Date:** 8/18/2020 **Submitted:** 8/19/2020

Corrective Action: Seeding/mulch was not observed where eastern cut-slope is recently graded for stormwater diversion. Weeds appear to be controlled at this time.
Revegetation needs to be installed on disturbed soils within the project area.

Correction Action Due: 11/1/2020

Action Completed: 10/7/2020

Action Taken: Seeded and applied straw mulch to disturbed soils on cut slope.
