COGCC Inspection Report Summary

On Monday 10/19/20 at approximately 1000, I, Inspector Scott Ramsey, conducted a routine inspection at TEP Clough 20, at Location # 335068 in Garfield county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year.

During this inspection the following possible compliance issues were observed:

- BMP's require maintenance(sediment traps, evidence of run off)
- Unused equipment (poly piping)

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
